

## Frequently asked questions about your PPO Dental Plan

Questions	Answers
<b>Is my dentist in United Concordia's network?</b>	To search for your dentist, visit <b>UnitedConcordia.com</b> . Click on <b>Find a Dentist</b> and then select your network (see the enclosed benefits summary) and search preferences.
<b>Why should I visit a network dentist?</b>	You can save time and money by using an in-network dentist. Our in-network dentists agree to file claims for you, and to accept our allowances as full payment for covered services. And, most of our dentists accept our allowances for non-covered services or services above your annual maximum. That means you can save money, because our allowances are typically lower than the dentist's standard charges. United Concordia's in-network dentists undergo rigorous review, so you can feel confident you're receiving quality care.
<b>Can I still see an out-of-network dentist?</b>	Yes, you can receive care from any licensed dentist. However, if you visit an out-of-network dentist your benefits may differ and your out-of-pocket expenses could be higher than if you visit an in-network dentist. If your dentist is not a part of our network, you can recommend him or her on our <b>Find a Dentist</b> page on <b>UnitedConcordia.com</b> . Just scroll down and click on <b>Recommend a Dentist</b> .
<b>What if there is no in-network dentist near me?</b>	If there isn't an in-network dentist within a reasonable distance from your home or work location, call Customer Service at 1-800-332-0366. Our representatives can help arrange coverage, and if necessary, facilitate a visit to an out-of-network dentist at in-network rates.
<b>What can my dentist bill me for?</b>	It depends whether you visit an in-network or out-of-network dentist. In-network dentists are required to accept full reimbursement from United Concordia for covered services and to bill member only for applicable deductibles, coinsurance and/or amounts exceeding contractual maximums. Out-of-network dentists can charge you for applicable deductibles and coinsurance amounts, and the difference between their standard charges and United Concordia's allowances.
<b>What information is available online?</b>	In the <b>My Benefits</b> section of <b>UnitedConcordia.com</b> , you can access forms, FAQs, an oral health resources center filled with info on taking good care of your mouth, plus links to apps, a dental health quiz and more. Once your plan is effective, you can view your plan details online in your <b>MyDentalBenefits</b> account. After registering, you can check your covered services and claims status, plus chat live with customer service if you need help.
<b>What if I have other questions about my dental plan?</b>	Questions about dental treatment should always be discussed with your dentist. For information about your benefits, visit <b>UnitedConcordia.com</b> or call Customer Service at 1-800-332-0366.
