Voluntary Term Life Insurance and Accidental Death & Dismemberment (AD&D)

How does it work?

You choose the amount of coverage that's right for you, and you keep coverage for a set period of time, or "term." If you die during that term, the money can help your family pay for basic living expenses, final arrangements, tuition and more.

AD&D Insurance is also available, which pays a benefit if you survive an accident but have certain serious injuries. It pays an additional amount if you die from a covered accident.

Why is this coverage so valuable?

If you buy a minimum of $10,000 of coverage now, you can increase your coverage in the future up to $80,000 to meet your growing needs. There would be no medical underwriting to qualify for coverage.

What else is included?

A 'Living' Benefit — If you are diagnosed with a terminal illness with less than 12 months to live, you can request 100% of your life insurance benefit (up to $250,000) while you are still living. This amount will be taken out of the death benefit, and may be taxable. **These benefit payments may adversely affect the recipient's eligibility for Medicaid or other government benefits or entitlements, and may be taxable.** Recipients should consult their tax attorney or advisor before utilizing living benefit payments.

Waiver of premium — Your cost may be waived if you are totally disabled for a period of time.

Portability — You may be able to keep coverage if you leave the company, retire or change the number of hours you work.

Employees or dependents who have a sickness or injury having a material effect on life expectancy at the time their group coverage ends are not eligible for portability.

Who can get Term Life coverage?

If you are actively at work at least 30 hours per week, you may apply for coverage for:

You:	Choose from $10,000 to $500,000 in $10,000 increments, up to 5 times your earnings. You can get up to $80,000. This is the amount of coverage you can qualify for with no medical underwriting.
Your spouse:	Get up to $500,000 of coverage in $5,000 increments. Spouse coverage cannot exceed 100% of the coverage amount you purchase for yourself. Your spouse can get up to $15,000 with no medical underwriting, if eligible (see delayed effective date).
Your children:	Get up to $10,000 of coverage in $2,000 increments if eligible (see delayed effective date). One policy covers all of your children until their 19th birthday − or until their 26th birthday if they are full-time students. The maximum benefit for children live birth to 6 months is $1,000.
