Personal Choice®, our popular Preferred Provider Organization (PPO), gives you freedom of choice by allowing you to choose your own doctors and hospitals. You can maximize your coverage by accessing your care through Personal Choice's network of hospitals, doctors, and specialists, or by accessing care through preferred providers that participate in the BlueCard® PPO program. Of course, with Personal Choice, you have the freedom to select providers who do not participate in the Personal Choice network or BlueCard PPO program. However, if you receive services from out-of-network providers, you will have higher out-of-pocket costs and may have to submit your claim for reimbursement.

This summary represents only a partial listing of benefits and exclusions of the Medical Program described in this summary. If your employer purchases another program, the benefits and exclusions may differ. Also, benefits and exclusions may be further defined by medical policy. As a result, this managed care plan may not cover all of your health care expenses. Read your contract/member benefit booklet carefully for a complete listing of terms, limitations, and exclusions of the program.
